HON. LYMAN HALL

Beneath this Stone lie the remains of the Honorable Lyman Hall Esq. formerly Governor of this State who departed this life on the 19th of October, 1790 in the 69th year of his age.

In the cause of America he was uniformly a Patriot. In the duties of husband and father he acquitted himself with affection and tenderness. But Reader, above all, know from this inscription that he left this probationary scene as a true Christian and an honest man.

A SIGNER of the DECLARATION of INDEPENDENCE

This tablet originated in Georgiabut on the occasion of the removal of his remains to Augusta where was erected a suitable monument the tablet was presented to the town of Wallingford, his birthplace.
